IT'S THE DEDICATION

"Our audiences always applaud a speaker when he is finished, but the amount of the applause sort of measures how well his speech has been received, a sort of thermometer so to speak." These words express our feelings and sentiments toward you, Mr. Goetz... need we say more?... eleven years of band, orchestra, and chorus... solos and ensembles... operettas... annual advisor... planning Christmas programs... senior sponsor... your record speaks for itself... may your memories of us be as pleasant as our contacts with you... as you leave... not to be forgotten... hear our applause and measure your record by it, a sort of thermometer so to speak... for our applause is loud and long... and it is to you that this, the 1955 SCARLET AND GRAY, is respectfully dedicated.

gratulations on your fine annual. I think a school annual is a wonderful way to keep a school history and I hope the senior classes of the future will continue to make an annual. As I am leaving the Hopewell-Loudon School at the close of this year, I want to express my best wishes for the future success and happiness to all members of the student-body of Hopewell-Loudon School. I am thankful for the privilege of having had a part in the organization and development of the school. It has been a great and satisfying experience and I hope it will always be a forward and progressive school. Since Hopewell-Loudon was admitted to the North Central Association of High Schools and Colleges at the March convention in Chicago it has the highest rating which any school can receive. The faculty, students, and parents should always strive to hold this high rating.

Class of 1960 Grade Seven

Mrs. Bender, Teacher

The seventh grade started their first year of junior high with 38 students. We have particularly liked the experience of changing classes and having more than one teacher as in previous years. We have learned to co-operate with these teachers and with our classmates as well. We've had a lot of fun this year, but we can truthfully say we worked very hard to prepare ourselves for the years ahead of us.

Majorettes and Majors

It's Hopewell-London on The March

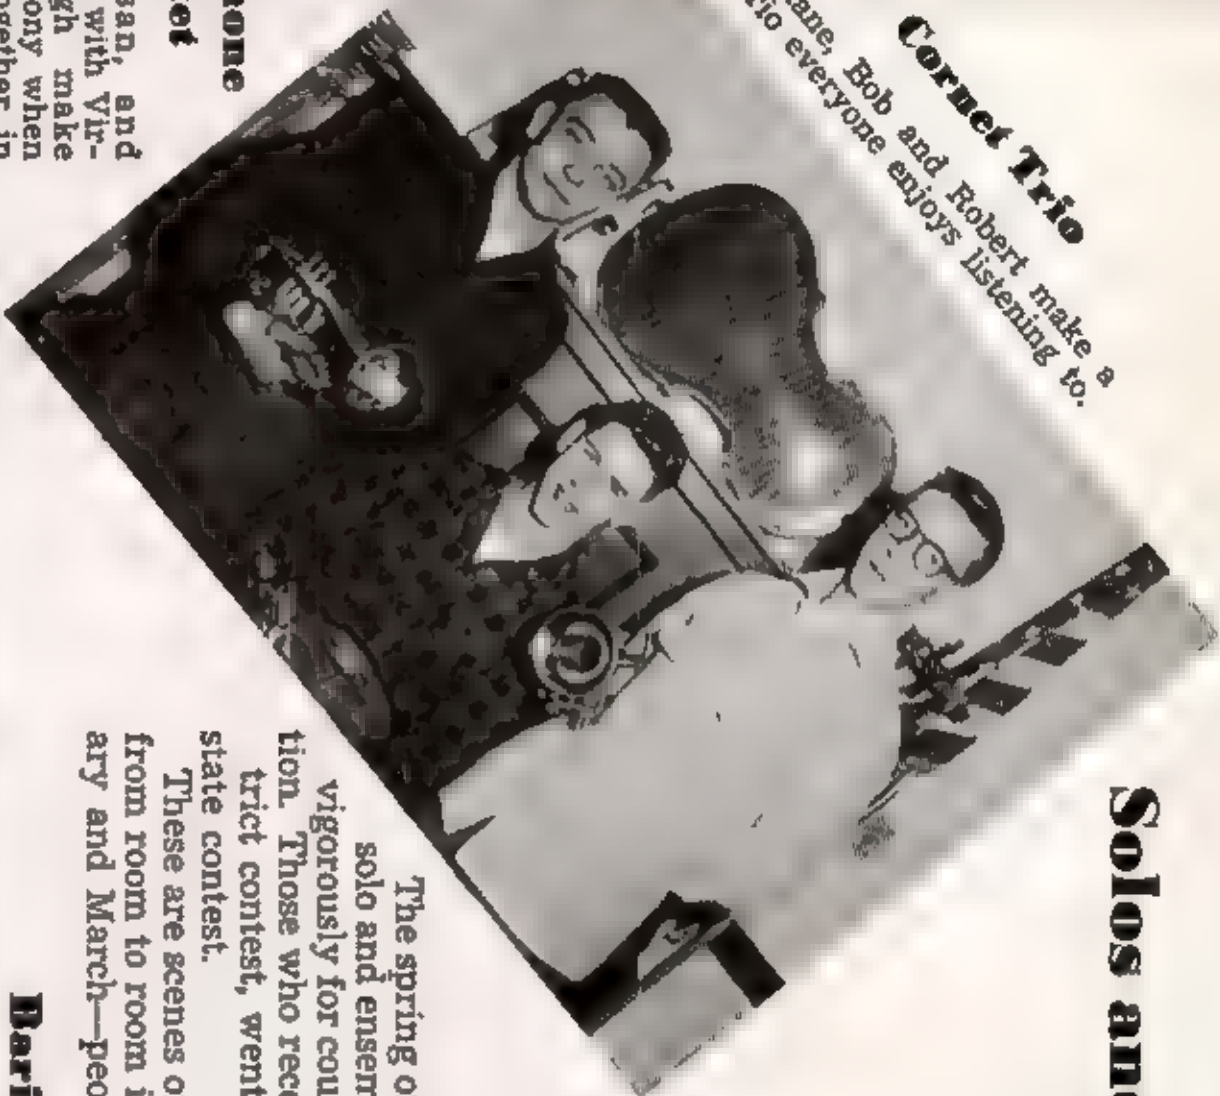

The band of our school has much to be proud of in their five fine leaders. They have done an excellent job, and will continue to do so as they progress through the years. Our head major, Kent Amlin, will be leaving us, but his fine contributions will be remembered by many in the years to come.

Solos and Ensembles

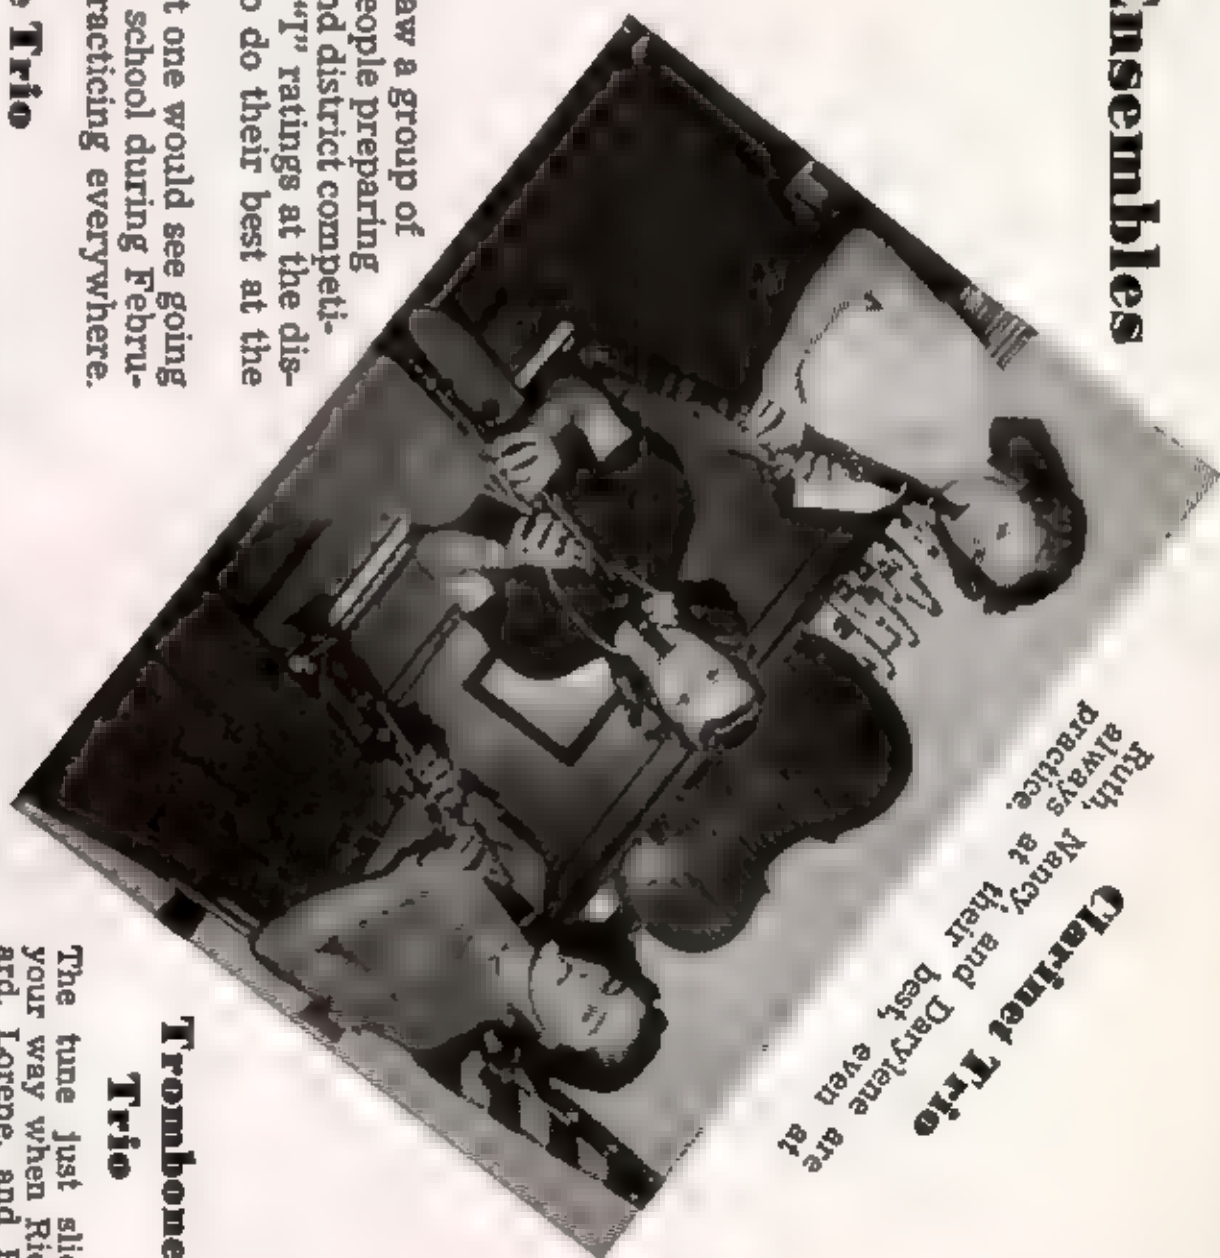

Cornet Trio

Duane, Bob and Robert make a trio everyone enjoys listening to.

Clarinet Trio

Ruth, Nancy and Darrylene are always at their best, even at practice.

Saxophone

Quartet

Carol, Susan, and Roger along with Virginia Haugh make pretty harmony when they play together in their quartet.

The spring of '55 saw a group of solo and ensemble people preparing vigorously for county and district competition. Those who received "I" ratings at the district contest, went on to do their best at the state contest.

These are scenes of what one would see going from room to room in our school during February and March—people practicing everywhere.

Baritone Trio

Richard, Jack and Marvie seem to be tiring from a hearty practice.

Trombone

Trio

The tune just slides your way when Richard, Lorene, and Bill play in harmony.

Mixed Octets

These folks blended well in
the lullaby they sang.

Boy's Quartet

If it's barbershop harmony
you want, they've got it!

Girl's Triple Trio

Sing lively girls!

French Horn Quartet

This quartet is the first in
the history of our school; a
good start, too.

Brass Sextet

These boys are handy with
good music anytime you call
on them.

GENE McQUISTON: Gene, with Paul, did excellent work on rebounding and tip ins. Gene could always be depended upon for giving his best to the team. Gene, a co-captain, will be greatly missed next year.

KEN FRANKART: Ken a co-captain, was a very aggressive ball player. A good ball handler and excellent shot. He kept the team going. His team play and competitive spirit will be missed.

MIKE COMER: Mike, shifting from guard to forward this year, did an outstanding job. A steady and heady ball player he could be counted on at all times.

An "All County First Team, Tournament Selection." Winner of 1955 Jack Hoffman Memorial Sportsmanship Trophy.

DUANE WARNS: Duane with the experience gained this year should prove to be a valuable asset for next year. A good defensive man and exceptional ball handler, his good jump shot will prove valuable in his future years at H. L.

PAUL DeWALD: Paul has greatly improved on defense as well as offense. With his good pivot shots and board work, he should really excel next year.

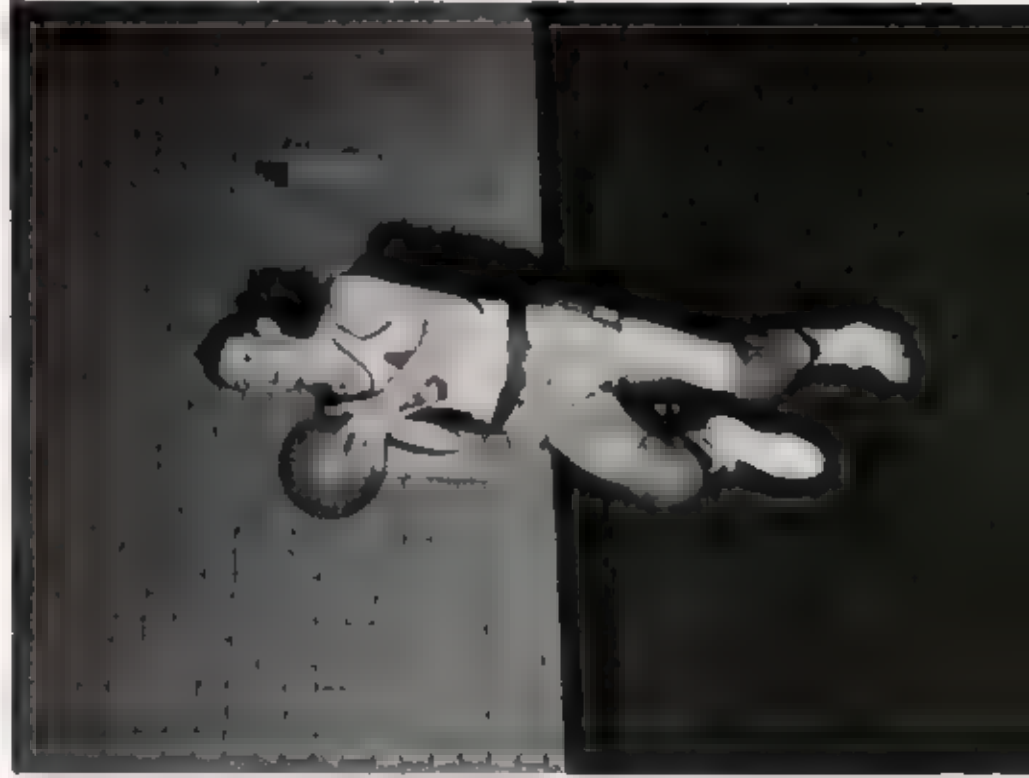

DON WINGART: Illness kept Don from the squad the greater part of the season, but determination and will to do his best, he contributed to the team's success.

The faithful work of the managers, Bob Pachlhofer and Duane King, was greatly appreciated by the coach and team.

JOHN COCHIE: John always showed a fine competitive spirit and co-operation. Though he saw only limited action, he proved to be a valuable asset to the team.

LARRY HOOVER: Larry was a reliable replacement that could be depended upon to give his utmost to the team. He had the misfortune of breaking his ankle near the end of the season just when he was doing a good job. Larry's co-operation and willingness to work will not soon be forgotten.

JOE HOOVER: Joe made up for his height by being a very fast aggressive player. He stole many balls from opponents. His superior service as a replacement helped the team considerably in its winning ways.

Varsity Squad

The varsity team this year was one of the best in the history of the school. This well balanced team was co-champs of the Seneca County league and third in the county tournament. With seven lettermen from the previous year, we started out by winning 15 straight games before losing our final game to Jackson-Liberty. We ended our season play with a 15-1 record.

We would like to thank the coach for his extra hard work in making our team a successful one.

*Comer, James Burns, Donald Wingart, Kenneth Frank-
 art, Joseph Hoover, Mr. Kardatzke.*
Below: Duane King.

Our thanks also go to the faculty, the cheerleaders, the student body, and everyone who followed our team in its games during the season and in the tournament. All of these, along with the determination of the players made this year a good year in basketball.

We would like to thank Duane King and Robert Pachlhofer, our team managers for the fine job they did for us.

Senior History

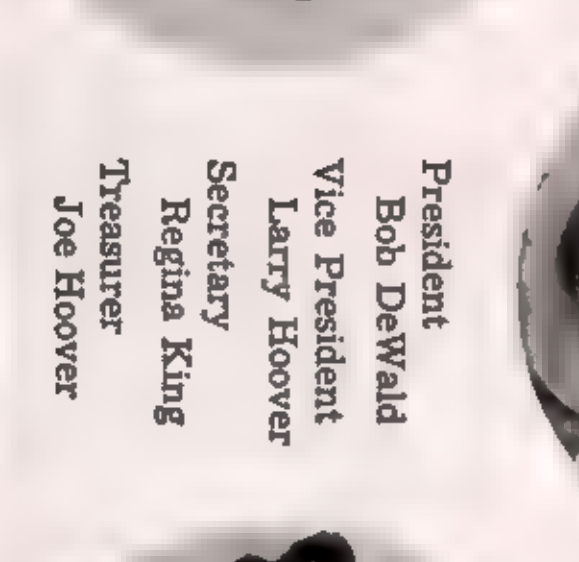

In 1944 our vexatious actions were first noticed at Hopewell-Loudon. With all the recesses and assemblies, grade school seemed to go faster.

Beginning with high school our activities were broadened with sports, social activities, and various school organizations such as F.H.A., F.F.A., latin and glee clubs.

Upon reminiscing, I believe it was 1951, there were thirty-seven boys and girls who desired to obtain knowledge. We

were called Freshmen by the more educated and advanced classes. We were subject to the sneers and scorns of everybody; in short we were the joke of the high school. But, never the less, we were too optimistic to mind such trifles. We were so busy the first year that we did not enter into school activities very extensively. However, we did

captive the saying "Be worthy of the best and it will be yours" as our motto. We chose our class colors, green and white and our flower, Lily of the Valley. Realizing the need for organization we elected the following class officers; President, Nancy Shiley; Vice President, Larry Hoover; Secretary, Madelyn Reindl; Treasurer, Joe Hoover; Reporter, Reg-

President

ina King. The highlight of our Freshmen year was our first prom.

The Seniors still laughed at us small "Sophs" strutting through the halls. We strutted more than ever! One of our pleasant experiences was the Freshmen-Sophomore Prom held at school. The officers were: President, Francis Siebenaler; Vice President, Larry Hoover; Secretary, Madelyn Reindl; Treasurer, Joe Hoover; Reporter, Bill Haugh.

As Juniors it was our duty to banquet the Seniors at the Mar-Jo in Fostoria on May 1. In addition to putting on the play "Bells on Their Toes", we also put out the Scarlet Banner that year. We chose the following officers: President, Bob DeWald; Vice President, Larry Hoover; Secretary, Regina King; Treasurer, Joe Hoover; Reporter, Alvin Shumaker.

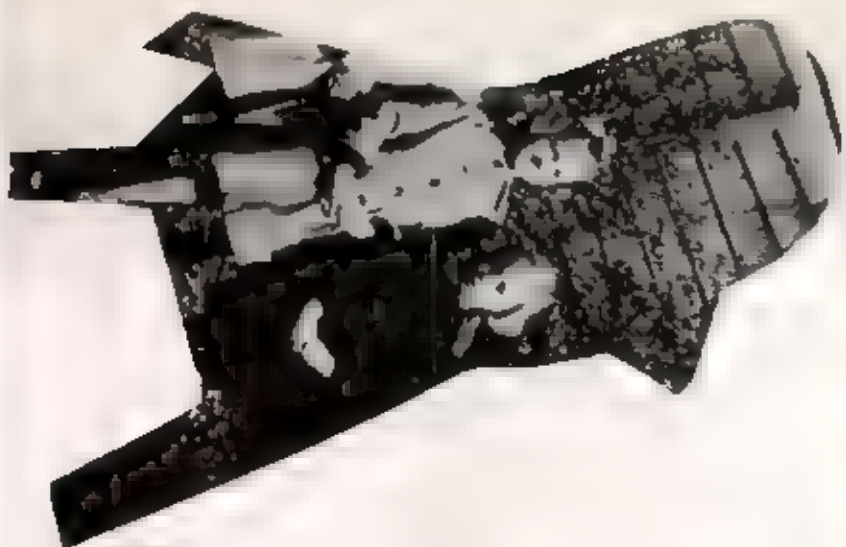

This year, 1955 we find ourselves twenty-seven faithful ones ready to complete the year. We were Seniors. Finally it was our turn to be guests at the Prom, held May 7. After toiling and riding under our burdens we at last found ourselves at the top — an example to all beneath
